Sales Tax Rules and Regulations - Resale Certificates

To our customers:

In compliance with Sales and Use Tax Laws, it is necessary that we have from all our customers a signed resale certificate, with their State Sales Tax Permit Number, to show that the merchandise has been purchased for resale. The good faith of the seller will be questioned if he has knowledge of facts which give rise to a reasonable inference that the purchase does not intend to resell the property as, for example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise. **Please note that we require a copy of your Sales Tax Exemption Certificate for our files. Until this is received, we will charge normal state sales tax.**

Under "Description of Property Purchased" there may appear:

- (1) Either an itemized list of the particular property to be purchased for resale, or
- (2) A general description of the kind of property to be purchased for resale. Such certificate is good until revoked in writing.
